

CIVIL AVIATION SAFETY AUTHORITY

PRODUCTION CERTIFICATE

Number: CASA.PC1P.0023 Rev.2

In accordance with regulation 21.134 of the *Civil Aviation Safety Regulations 1998*, this certificate including the associated Production Limitation Record authorises:

Aerobond PTY LTD

ACN: 143 152 550

to manufacture Class III aeronautical products on a one-off basis at the following manufacturing facility:

19 James Schofield Drive, ADELAIDE AIRPORT, SA 5950

This certificate commences on 10 December 2021.

This certificate is subject to the following conditions:

1. Class III products may only be manufactured and supplied on a one off basis in accordance with reg 21.133 (2B) of CASR.
2. The holder must notify CASA in writing of any change of address of its manufacturing facility or the Production Certificate ceases to be in force as per paragraph 21.159 (1) (a) of the CASR 1998.
3. The Manufacturer must permit CASA to inspect upon request its manufacturing facilities, Quality System and Production Inspection System (PIS), methods and procedures provided in Aerobond Pty Ltd Production Quality Manual Revision 2.2, dated December 2021 (or later approved revision).
4. Parts, appliances or services furnished by any suppliers located in a foreign country may not be used in the production of any product unless:
 - a. That part or service can and will be completely inspected for conformity at the authorised manufacturer's Australian facility; or
 - b. CASA has determined that the supplier's location places no undue burden upon CASA in administering the applicable airworthiness requirements; or
 - c. The parts/services furnished by the foreign supplier are approved for import to Australia in accordance with regulation 21.502 of CASR 1998.
